

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MASSACHUSETTS

Jack Rogers and Paul Pinella,

Plaintiffs,

v.

Comcast Corporation
and AT&T Broadband,

Defendants.

Civil Action No.: 04-10142 EFH

**ASSENTED TO MOTION FOR EXTENSION OF TIME FOR PLAINTIFFS TO FILE
OPPOSITION TO DEFENDANTS' MOTION TO COMPEL ARBITRATION**

NOW COME Plaintiffs, by their counsel, and request that this Court extend the time for Plaintiffs to file their papers in opposition to Defendants' Motion to Compel Arbitration through and including July 1, 2004. The reasons for this motion are set forth below:

1. Following the initial scheduling conference on March 30, 2004, Plaintiffs on April 6, 2004 served Defendants with arbitration-related discovery, specifically interrogatories, document requests and a Rule 30(b)(6) deposition notice scheduling the deposition for April 20, 2004, which discovery remains outstanding.

2. At Defendants' request, the Rule 30(b)(6) deposition(s) was continued and the parties are attempting to reschedule the Rule 30(b)(6) deposition(s) for the week of May 10, 2004.

3. Pursuant to L.R. 7.1(a)(2), I certify that counsel for Plaintiffs and Defendants conferred by telephone on April 28, 2004. The parties by counsel have agreed to extend the time for Plaintiffs to file their papers in opposition to Defendants' Motion to Compel Arbitration through and including July 1, 2004.

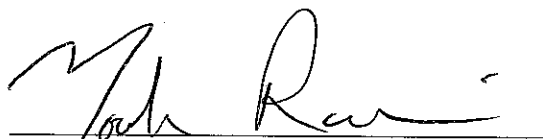

4. On March 30, 2004, the Court granted Plaintiffs' previous assented to motion to extend time to respond to Defendants' motion to compel arbitration to June 1, 2004.

5. Plaintiffs fully reserve their position, asserted in Plaintiffs' Motion For Remand papers, that this Court lacks subject matter jurisdiction of this action and that the case should be remanded to the Superior Court for Middlesex County.

Wherefore, Plaintiffs request that this Motion be ALLOWED.

Dated: May 4th, 2004

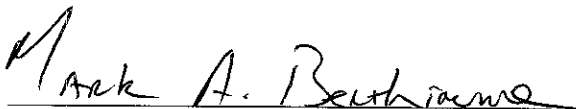

Respectfully submitted,

John/Peter Zavez (#555721)
Noah Rosmarin (#630632)
